# We have what it takes to be successful

- ▶ Significant progress in productivity measurements, practices and in area of mechanization.
- ▶ Fabulous tripartite partnership - government, contractors and plant owners working towards a common goal.
- ▶ Focus on asset life cycle to maximize value for investors.
- ▶ Certification program to drive continuous improvement.
- ▶ PC will continue to strive to help the industry move forward.
- ▶ **We count on your continuous support.**

# END

- ▶ As your feedback will be strongly regarded, please remember to fill in the **Feedback forms and Indication of Interest form** and submit to the registration desk.
- ▶ Slide Decks will be circulated to all participants within 2 weeks from today.
- ▶ Please do not forget your belongings.
- ▶ Visit <http://productivity.scic.sg/> for more information about the productivity initiatives.
- ▶ Thank you for attending this forum.
